## June 2020

### ANNUAL OWNERS' MEETING

The annual owners' meeting will be held at 9:00 on July 3. With low attendance expected due to coronavirus restrictions and concerns, the meeting this year will be virtual. Meeting materials will be distributed shortly.

### PAREMETER FENCE

Our fence has been removed and construction on Gothic Road has commenced. The portion along Winterset remains. We are considering three options to be discussed at the meeting. First is to replace the whole fence on HOA property. Second is to leave it as is. Third is to add to the existing fence so it rounds the corner along Gothic Road. We expect to have cost estimates for the meeting.

#### CB WATER & SANITATION EXPANSION

W&S has begun construction on their \$18,000,000 expansion. The actual construction will be down by the river and to their building at the corner of Gothic Road and Prospect. The equipment and activity along Prospect near the Gold Link lift, which can be seen from many of our homes, is for supplies and mobilization. It is temporary.

#### NEW NEIGHBOR

Ronit & Haviv Ilan from Plano, Texas have purchased the house at 35 Gold Link Drive, previously owned by Janet Harvey.
